## PRESIDENT'S COMMUNICATIONS POLICY BOARD

Washington 25, D.C.

November 30, 1950

General Walter B. Smith, Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear General Smith:

The President's Communications Policy Board has received your letter of November 24, 1950, to Dr. Irvin Stewart. The Board and the staff are grateful to receive your views.

I think it would be highly desirable for you to designate a representative to discuss in more detail the basis for the statements in your letter. If you will notify me the name of such a representative, I would be glad to meet with him and go further into these questions.

I am sure that Mr. Fred Alexander, Chief of the Frequency Utilization and General Studies Group, would also be grateful for the opportunity to discuss these and related matters in considerable detail.

Sincerely,

/s/ Charles A. H. Thomson
